ABOUT

For over 20 years, The Poultry Federation has provided scholarships to deserving young people interested in pursuing a career in the poultry and egg industry. All proceeds (100%) from the auction are applied to The Poultry Federation scholarship fund.

In 2017, The Poultry Federation (TPF) raised \$107,205 for the Allied Industries Scholarship Fund through the participation of attendees at the auction. A total of \$125,500 was awarded in scholarships for the 2017-2018 academic year.

Donors will be recognized at the auction and by printed recognition in the Scholarship Auction brochure. A donor list will also be posted on the Federation's website.

WHAT DO DONATE

We want to make donating to the scholarship auction as easy as clicking a button. We have created a few registries so you can do exactly that. You can go to the following stores, search for our registry, select the item(s) you want to purchase, ship them to our office and you are done!

Wish List: The Poultry Federation

HANDBID

We will utilize a mobile app called Handbid to host our auction. Having a way for attendees to keep track of items they have bid on, get alerts when they've been outbid and check-out on their mobile device reduces the time spent wondering the aisles looking at auction items and more time spent networking.
